“ Aunt Cynthia,

*Words can't express how much I miss you. I love you. I apologize to you. A significant portion of my childhood was happy because of you. The memories of how much you love me are what keep me from crying. Your mind, your creativity, heart will always be what I cherish the most.*

*I know you are with me. My guardian angel. Knowing your gone hurts, I really hurt. I can feel your comfort your love and that helps me to be ok.*

*I love you Aunt Cynthia.*
